

WALL CELLS

WALL CELLS are pillow-like organic shapes that can be arranged on either exterior or interior walls in many custom configurations. Each CELL comes with either our standard bracket (suitable for residential interiors), or our security bracket (suitable for commercial and high traffic areas). Because these are free blown, custom sizes are available as well as custom wall mounts for different substrates, such as behind water features. Contact us for an arrangement designed for your space.

SIZE diameter x height

- mini** 4" x 3"
- small** 6" x 4"
- medium** 9" x 5"
- large** 12" x 6"
- X large** 16" x 7"
